

DONATIONS

Subud Emergency Fund

Donations are gratefully accepted for the World Subud Association Care Support Program. There may be tax benefits by donating through your national committee but please make the purpose of your donation clear. The Care Support Program budget has been around \$10,000 U.S. per year since 2007.

The Subud Emergency Fund is careful to ensure that all donations are provided only to Subud members in real need and who have nowhere else to turn.

If you are thinking about giving a donation but have a question or concern, please contact the Care Support Coordinator, Annabella Ashby, at annabella.ashby@gmail.com - without commitment or pressure.

MAKING A DONATION: Cheques or money transfers may be earmarked “WSA Care Support Program Fund” and sent directly to the World Subud Association.

Please notify the WSA treasurer at treasurer@subud.org of any transfers made.
